Sir,

Subject:-Forests - Concessions - South Kanara - report on working in 1943

Reference:-Government Memo.No.26183-C/44-1 dated 15th May 1944.

It is necessary to continue the three concessions sanctioned in G.O.N 1211 Mis.Development dated the 10th May 1938. As the G.O.does not mention any time limit its intention seems to be that they should continue in subsequent years. The sanction of Government was not therefore requested.
